

Replacement Parts for Magline®

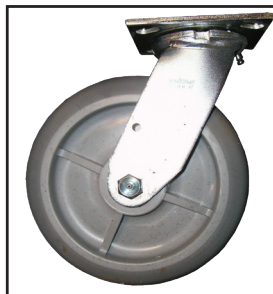

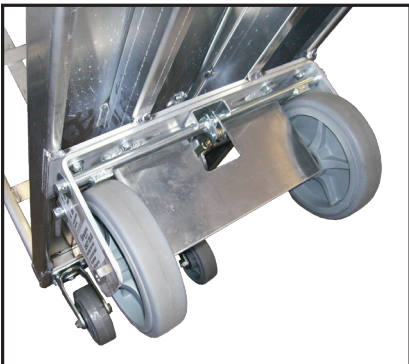

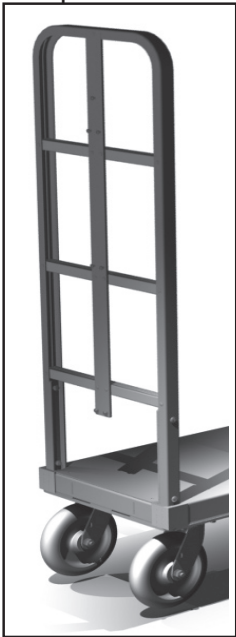

Bulk Delivery Carts

From Casters to Complete Carts, B & P Manufacturing offers the Guaranteed Best Replacement Parts for your current fleet.

- Replacement handles feature a stronger, more ergonomic design that reduces driver hand fatigue.
- Square ends will fit competitors decks.

- Product containment curtain. Replace torn curtains with our unique design utilizing more durable metal clips.
- Available in Mesh (shown) or Solid Canvas.

- Replace casters or upgrade to our exclusive heavy duty understructure. Won't bend like center caster carts.
- Add our exclusive brake that locks both center wheels from either end and both sides.

- Replacement decks feature our formed design. Won't peel like welded decks.
- Square pockets accept competitors handles.
- Full length stringers for more support and longer life.
