

B&P **Liberator** hand trucks are the strongest, safest and longest lasting hand trucks ever made - backed by an industry exclusive 2 year warranty!

Extensions:

- Choose from traditional channel style or B&P exclusive heat treated tubular extensions.
- Available in 52", 55", 60", 62" and 68"

Channel

Frames:

- 600 lb. vs competitors 500 lb. capacity hand trucks.
- 4 sided ribbed cross members and top logo channel for rigidity & strength.
- Logo channel also allows room for custom company decal.
- Assembled with exclusive military grade rivets used on aircraft won't loosen up.

Powder Coating:

- Exclusive frame and/or stair climber powder coating available in red, blue, green & black.

Wheel Brackets:

- B&P Exclusive extruded brackets are guaranteed for life never to crack or break.

Handles:

- Large selection of handles.
- Red or blue comfort sleeves on some handle options.
- Exclusive heat treated welded style handles for greater strength.

Stair Climbers:

- Extruded much more durable than cast.
- Extra thick reversible bolt on wear strips outlast all others many times over.
- New E1E Ergo Stair Climber to maneuver stairs with less effort.

Side Channel Reinforcements:

- Bolted at top and bottom which spreads out stress to resist cracking or bending of frames. Competitors only bolt them at the bottom.

Nose Plate Brackets:

- Extra thick & solid brackets won't crack or break.
- Beveled to inside of frame to eliminate gaps which allow for play and loosening up over time.

B&P only uses the best wheels in the industry.
