* Excellent shock absorption * Exceptionally light * Easy rollability * Extremely durable hub
Industry Exclusive 2 yr. Warranty!

Part # D6SS

Features:

- 10" X 3" Carefree Low Profile
- High impact lightweight polypropylene hub
- Closed cell polyurethane crown design tread
- Indented hub design.
- Non Marking.
- 600 lb capacity per pair.
- 3.2 lbs Each -1 lb less than regular Carefree and 1.5 lbs less than pneumatic.

Benefits:

- Can't go Flat
- Takes 2-3 lbs off the hand truck.
- High impact hub won't crack or break.
- Crowned tread for easier turning and rollability.
- Hub design won't allow tread to roll off.

A word of caution: Don't be fooled by cheap imitations that look the same but are not made from the same materials and have a far shorter warranty.
